Home 2 Hospital would like to say a huge thanks to their driver, Jim McComb and his team, for organising a great evening to celebrate the 2nd anniversary of **Home 2 Hospital**. Thanks must also be extended to all the local businesses and individuals who donated raffle and auction prizes and made cash donations. It is really heartwarming to have the support of our local community!

In the summer, **Home 2 Hospital** expanded their coverage to residents of Carron and Carronshore, in addition to those in Larbert and Stenhousemuir and those registered with a GP in Stenhousemuir.

The dance raised an amazing **£7,316.61!!** As the charity is busier than ever, this money will cover 5 -6 months mileage costs.

Thank you for supporting us!
